## HATCH YOUTH ARE EVERYWHERE

Our program doesn’t begin and end with weekly meetings. We are in the schools, on the streets, on the air—anywhere we have to go to let Lesbian, Gay, Bisexual, Transgender, Questioning, Intersex and Allied (LGBTQIA) youth know they have a voice, a future, and a safe place to be themselves.

Our goal is to help LGBTQIA youth achieve their goals and become happy, healthy, productive adults.

**“IT TOUCHES ME TO TO THINK BACK ON HOW HATCH YOUTH  
MADE ME SO CONFIDENT AS A YOUNG GAY MAN...”**

- former “Hatchling”
